From the Pastor

Many of us have watched the movie *Fireproof*. It is a movie that gives us the understanding that the devil will try to destroy relationships. Not only those with your spouse, but also of those relationships with our friends. I am a firm believer that we must keep our guard up and not allow the devil to enter into our relationships. We must continue to look to God who is the author and finisher of our faith. We know that the devil will try to cause confusion along with disrupting our thoughts. It is important for us as a family to stick together in all times. I have found that the devil has been at work in trying to weasel into any area he can. As the sign on another Church read, If you give the devil an inch he will become the ruler.

Love in Christ,
Pastor Jim

Bible Verse

I can do all things through Christ which strengtheneth me.

Philippians 4:13

Poetry

His Way

God, grant me Your eyes
So I will see
All the earth's beauty
Surrounding me.

God, give me Your lips
And I'll express
Your love for all people
With gentleness.

And Lord, let my hands
Be tender, like Yours,
So I will be one who renews and restores.

God, grant me these things
And then I'll share
Compassion and mercy,
Praise and prayer!

“All these, the Lord said,
I already impart;
They're found when you're living from the heart.”

Thought for the Month

Be At Peace

Do not look forward in fear to the changes of life; rather, look forward with the knowledge, that God will lead you through all things. Do not worry about what may happen tomorrow. The everlasting Father, who cares for you today, will care for you now and every day. He will either shield you from suffering, or give you the strength to bear it. And, when you think you cannot stand it anymore, he will carry you in his arms. Therefore, Be At Peace.....Put aside all anxious thoughts. Trust the Lord and he will see you through.

Just for Fun

A little boy was attending his first wedding.

January, February, & March 2009

After the service, his cousin asked him,
"How many women can a man marry?"
"Sixteen," the boy responded.
His cousin was amazed that he had an answer
so quickly.
"How do you know that?"
"Easy," the little boy said.
"All you have to do is add it up, like the Bishop
said,
4 better, 4 worse, 4 richer, 4 poorer."
